Spring 2009

Dear Horn's Bar Employee:

We here at Shepler's Mackinac Island Ferry Service would like to congratulate you on your summer employment with Horn's Bar. We are pleased to offer you a great package discount to summer workers who will regularly commute to and from the mainland. It is designed to offer convenience, flexibility, superior service, and is the best deal available from any of the Mackinac Island ferry lines.

You can park 24 hours a day in our lighted, patrolled, on premise lots in St. Ignace and board the boat only a few short steps away. Bike transport is also included in this package. Packages are available in two tiers to best suit your needs.

40 one-way rides + all season parking	\$260.00
20 one-way rides + all season parking	\$175.00

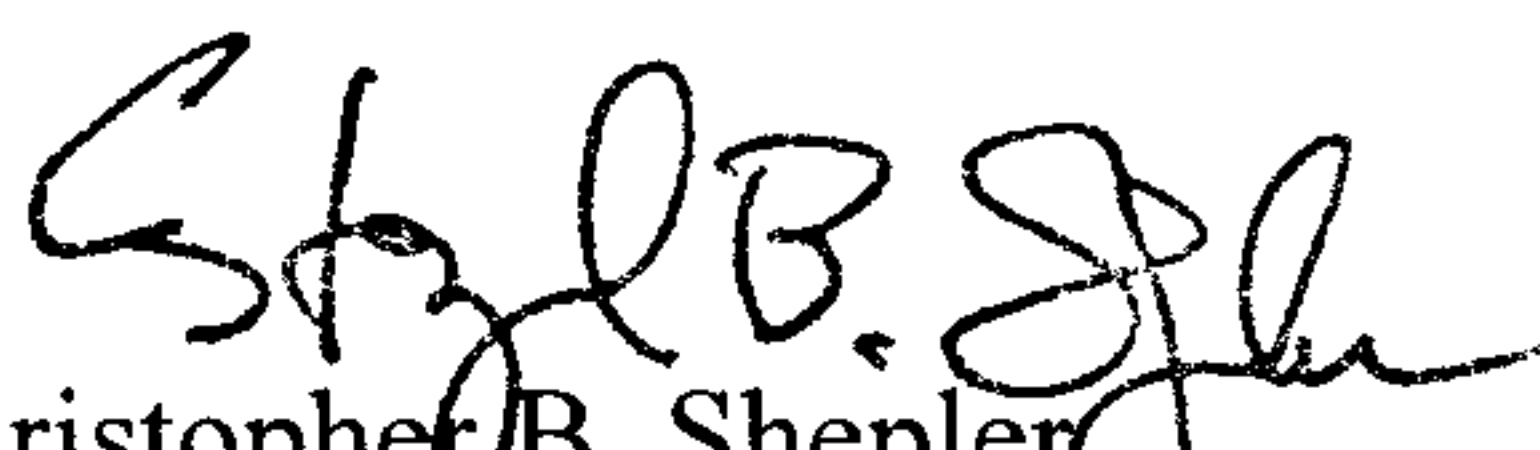

You can also purchase our commuter tickets without parking for big savings if purchased prior to June 1<sup>st</sup>, 2009.

40 one-way rides (savings \$30.00)	\$220.00
20 one-way rides (savings \$20.00)	\$130.00

The packages described above do not include valet parking and cars must be parked in the designated overnight lots only. All packages must be paid in full, up front. We'll provide all necessary forms, a map outlining parking locations, a short-list of package guidelines and a window sticker for the employee's car.

Have questions or concerns? Call us toll-free at 800-828-6157. We look forward to serving you this season!

Sincerely,

  
Christopher B. Shepler
