Dear Employee:

Spring is upon us, and with the warmer temperatures that we have been experiencing, we started our 2011 navigational season! We look forward to having you onboard again this year.

If you have received any information on our commuter program prior to this mailing, the most up-to-date rates are listed below.

- **40 ride commuter book** is \$190.00 for the entire 2011 season!
- **20 ride commuter book** is \$100.00 for the entire 2011 season!

- **A Season Pass!** The most exciting, hassle-free way to commute to the Island. No books to remember and no tickets to tear out. Ride as many times as you like! It can't get any easier than that! Purchase the season pass in the Mackinaw City or St. Ignace office for a one time prepaid fee of \$600.00 and it can be used for the entire 2011 season. The commuter's name and photo will be printed on the pass and it will be used in place of the traditional ticket. When purchasing, please allow ten minutes for the pass to be processed and created.

- **Again for 2011!** All season, if you buy two or more 40 ride commuter books at the same time and pay with cash or credit card, you will receive a \$180.00 rate per book!

For you and your employees that need seasonal parking, I have listed the rates for this year. We have options for all budgets and security needs. Please note: All parking options include valet service. All seasonal parking arrangements need to be completed at the main office prior to leaving the vehicle.
